### Cabernet Sauvignon

**Producer** Tenute Ferrocinto

**Winemaker** Marco Monchiero

**Estate Founded** 1855

**Country** Italy

**Region** Calabria

**Appellation** Calabria IGT

**Grape Varietal** 100% Cabernet Sauvignon

**Soil Composition** Potassium rich clay and limestone soils

**Elevation** 450 meters

**Fermentation Method** Macerated for 24-36 hours followed by temperature controlled fermentation

**Aging** Aged in stainless steel for ten months with micro oxygenation prior to bottling and release.

**Alcohol Content** 13%

**Tasting Notes** Generous fruit and earth on the palate of this full bodied wine. Nuances of black cherry, strawberry and prunes balance the delicate tannins and persist on the long finish.
